SCRUMS Registration

The Scottish Rugby Management System, known as SCRUMS, was launched in 2018 to record all player, club official, club volunteer and staff registrations. The system was then expanded to include coaches and match officials.

All active players at a rugby club, school, college or university should be registered in SCRUMS. Youth players should be registered from the age of 8 upwards (P4) as this is when they begin playing 'Mini Rugby' (when contact is introduced). Scottish Rugby also encourages clubs to register younger 'Micro' players, aged 5-7.

Young players under the age of 14 must be registered by a parent or guardian. From the age of 14 upwards, young players can be registered by a parent or guardian, or they can register themselves.

All users can access SCRUMS to manage their own contact data and link with their clubs and schools making SCRUMS an important source of contact information supporting greater connections.

SCRUMS Registration can be completed here: <https://scrums.scottishrugby.org/terms-and-conditions>

Spoud Registration

MRFC uses the platform Spoud to organise training, games and team communication. All players must be registered. You will receive an invitation. We reserve the right to change platforms if needed.

Membership Contribution

We ask for a £15/month/player (£10 Subs and £5 Kit) through a standing order to help cover training costs and kit. It is important to note that MRFC is adamant that cost should NEVER be a barrier to participation and if this contribution is a hardship, please speak to a member of your coaching team or the MRFC Board.

Permissions & Consent

To help the club run smoothly and maintain clear communication with our members and their families, we operate on an “assumed consent” basis for some routine matters. This means that, unless you tell us otherwise either by selecting the relevant options below or contacting us in writing at a later date, we will assume that you are happy to give consent for the following

1. The use of photographs or videos of the player for club promotional purposes, including on social media and the club website.
2. The provision of appropriate emergency medical assistance if required while the player is in our care.
3. The receipt of club-related updates and information via email
4. Occasional direct contact by phone call or text message when necessary (e.g., urgent updates, last-minute changes)

If you would prefer not to give consent for any of these, you may opt out now by indicating your preferences below. You can also withdraw consent at any time by contacting us in writing.

31. Option to Opt Out

Tick all that apply.

- ☐ I do not give permission for my player to be photographed and videoed,
- ☐ I do not give consent for the provision of appropriate emergency medical assistance if required while my player is in your care.
- ☐ I do not wish to receive club-related updates and information via email.
- ☐ I do not give consent to receive occasional direct contact by phone call or text message when necessary.
