

Dear Member,

Please find enclosed your Membership information for Musselburgh RFC for season 2018/19.

The 1st XV retained their position in National League Division 1 for the coming season, with the 2nds performing well and remaining in National Reserve League Division 2 and the 3rds gearing up for the East Development League. We would like to welcome the new 1st XV coaches Graeme Paterson and Grant Fraser to the club and look forward to seeing their influence on the players. There will also be an increased focus on social media and our twitter @musselburghrfc. We are pushing forward with our focus on our Youth sections, increased integration with the School of Rugby and building our teams throughout the mini and midi age groups. #buildtheburgh

We are very keen to encourage members and players to use and enjoy the Club facilities as much as they can this coming season. Please contact Neil Durham at the club. #backingburgh

Hear about Club News & events

We would like to keep in touch with members and share information on games, events and club news regularly so please ensure we have your email address, if you have one, to allow us to do so. Don't worry, we won't overload your inbox, it will just be a monthly update. Email to mrfc@musselburghrfc.club or make sure you include on your membership form, and remember to 'opt-in'.

Membership

To set up a new membership, or renew your existing one, please complete and return a completed Application / Renewal form to the club or by email (even if you are already a member, or if you have your payment already set up, we still need your form). Please arrange payment by bank transfer or Standing Order. Cash or cheque are still acceptable to the Bar. It's important for you to return the form so we can match up your payment, and not chase you unnecessarily for it and also ensures we have your correct details. Any questions to membership@musselburghrfc.club. We have a Club 'open' weekend scheduled over 11th & 12th August 2018 (membership, merchandise, club grounds tidy up, clubhouse painting etc) so please look out for details and come along. The Membership Sign Up Day is on Saturday 11th August between 11 – 3pm at the club so please pop along and you can set up your membership then if easier.

Enclosed are details of the membership fees for 2018/19 which the Board agreed to keep in line with last year. These show the discount available if you pay before 1st September 2018.

International Tickets

Also enclosed is a ticket application form for Scotland's Autumn internationals. Application deadline for the Autumn tests is **17th August 2018**. [6 Nation tickets are not released until later in the year]. The SRU have changed their approach to ticket applications so you will see from the form that you need to set up an individual account with the SRU online and include your number. You cannot apply without setting this account up, and you still, however, need to return your form back to the Club to submit the application. Please see the enclosed form for instructions. If you are applying for international tickets please ensure your membership is paid prior to the application deadline. Any questions to tickets@musselburghrfc.club

We look forward to seeing you at Stoneyhill this coming season to help #buildtheburgh
