

MRFC – Match Day Volunteers Required

We all know that matches at Stoneyhill and Pinkie do not just happen and there is a fair amount of work that goes into making sure the days go smoothly.

This is an appeal to our membership to offer to volunteer to help out occasionally to ensure that the match day experience is great for all.

We note below a list of jobs that need to be performed on match days and also the length of time that our volunteers would require to set aside to help. Obviously the more volunteers we have the easier it will be to spread the load.

If you are able to give a few hours of your time over the course of the next season then please mark down where you would be prepared to assist and we will be in touch regarding the dates we require your support. Fixtures listed below.
